Fellowship

2022-2023 Smithsonian ACCelerate Fellowship

Teaching

Teaching Assistant

Spring 2023	CSCI1101 Computer Science I
Fall 2022	COMM2225 Introduction to Feminisms
Fall 2022	CSCI1080 Principles of Computer Science, co-Course Developer
Summer 2022	ERAL4101 Cybersecurity: Innovation, Technology & Formative Development
Fall 2021	CSCI2243 Logic and Computation

Tutor

2023-Present	Chinese, Brookline Chinese School
2024-2025	AP Psychology, High School Students
Spring 2022	Computer Science I and II, BC Athlete Students
2019-2020	Math, an elementary-school student → Boston Latin School

Leadership and Service

2025-Present	IEEE Boston Section, Young Professionals Group Vice Chair
2023-Present	Dell GenNext New England Grad Programming Pillar, Pillar Lead
2024-2025	Dell Asians in Action, Lunar New Year Celebration Event Lead
2022-2023	Dell Technologies, Campus Ambassador
2020-2022	BC AHANA Management Academy, Vice President

Invited Talks

2024 Sustainability in the Fashion Industry, Boston College Experience Reflection
Action (ERA) Lecture

Certifications

2025 Business Analytics Certification, Harvard Business School Online
2024 Certified Associate in Project Management, Project Management Institute (PMI)
2021 GRC(Governance Risk Compliance) Professional Certification, OCEG

Technical Skills

Languages Python, Java, Swift, SQL, R, C, HTML/CSS
Tools PowerBI, Jira, Tableau, Figma, Adobe, Miro
Experience Design Thinking, Game Development, App Development, Human-computer
Interaction, Data Engineering, LLM Training, Backend Programming
